CONTRIBUTING AUTHOR’S LETTER OF AGREEMENT

Title of contribution: ____________________________________________________________

Author(s): _________________________________________________________________

For the purpose of the publication of the above article in the book tentatively entitled
Robotics: Science and Systems V edited by Jeff Trinkle, Yoky Matsuoka, and Jose A.
Castellanos I do

(a) warrant that I am the sole or senior author of this article except for those portions
shown to be quotations;

(b) grant to The MIT Press the nonexclusive right to publish the article in all
languages and for all countries and in both print and electronic forms;

(c) appoint the above editors my agents in everything pertaining to the publication of
my article in the said publication;

(d) agree to read and promptly return proofs if requested to do so and otherwise to
cooperate to the end of publication; and

(e) affirm that the article does not violate any copyright or other proprietary right,
contains no statement known to be false and no material that is libelous or in any
way unlawful, that the article has not previously been published, in whole or in
part, except as I have advised the editors in writing and that I will give proper
credit to the said publication in any future publication of the article.
